Entropy Publications Reference List
September 2011

PEER-REVIEWED ARTICLES
(Articles published after previous list update in October 2008 are noted with an asterisk.)

Arnold G. et al. BIS and Entropy in the elderly. Anaesthesia 62(9), 907-12 (Sep 2007).

* Arutiunian O.M. et al. [Role of entropy-based neuromonitoring during cardiac surgery]. Anesteziol Reanimatol. 5, 78-82 (Sep-Oct 2010).

Gjerstad A. C. et al. Skin conductance or entropy for detection of non-noxious stimulation during different clinical levels of sedation. *Acta Anaesthesiol Scand.* **51**(1), 1-7 (Jan 2007).

* Mahon P. et al. Can state or response entropy be used as a measure of sleep depth? *Anaesthesia* 63(12), 1309-13 [Dec 2008].

The views expressed in the articles listed herein are those of the respective authors of the articles and may not reflect the opinion of GE Healthcare.
